Place the dough on a cookie sheet. Use a spoon or ice cream scoop to scoop out two tablespoon-sized chunks of dough and form them into balls. Place each ball of dough about 2 ½ inches apart on a baking sheet. If you like a thinner cookie, you can also squish the dough. However, the cookies should melt enough on their own and become rather thin.

What are third-party cookies? Third-party cookies are cookies downloaded from other websites—websites that you aren't visiting right now. Usually, these cookies collect data about you and give it to advertisers so they can sell you a product. These are the cookies that you're going to want to watch out for, since they can give your information to people trying to sell you things.
