Beginners Guide Arch - americasbasics.com

Today we'll be finding out what Arch is all about, how to use it, and what makes it special. About Arch. Arch does not come as a complete, all-in-one pre-built shiny desktop OS. This is on purpose. The idea behind Arch is that upon installation, you've got a fast, light, minimal OS to use as the base to make your own shiny desktop. If you don't like the idea of putting together your own version of what Linux should be like, then Arch may not be for you.
