Blood Trails, Christopher Ronnau's Diary from his deployment in Vietnam. This book will take you through how Christopher, who was a common foot soldier, thought and felt about the war. It doesn't compare to the amount of detail that other Vietnam War books but his being vague does not ruin the book, it adds more to the feeling of the book.

Okk- I decided to replay the old Bats game- again. When I try to follow the blood trail- firstly, when I selected mission, it didn't show me where to return- although, Mission itself shows several % complete- and secondly, when I DO find and follow it (thx to the large Map) - it (the Trail) stops at the top of Church of some sort, and I dunno where to go next, nothing Happens.
