SOURCE: instrument cluster removal 2001 buick century. You have to remove the dash but it is VERY simple to do. Remove the fuseblock cover on the end of the dash on the passenger's side. Once removed, remove the screw holding on the end of the dash. Now, next to the glove box, to the right, remove the one screw on the bottom.

1999 buick century instrument cluster diagram - Fixya

The Buick Century, also known as the Buick Regal, was first introduced at the automotive market in 1936 as a car capable of reaching the speed of 100 mph, and phased out of production in 2005. Despite the fact that the last vehicle rolled off the line less than ten years ago, it won't be as easy as ABC to find a new replacement item for your auto.
