From Nefertiti to Robin Hood, this essential Doctor's guide gives us his unique take on Earth's most famous historical figures. Through annotations, scribblings and his trademark snarky humour, the Doctor has plenty to say about the pudding-brained humans he's met on his travels. It's history . . . but perhaps not quite as you know it!

Origin of "Doctor" The English language history of doctor starts in the early 14th century, when the word was first applied to a select few who likely knew neither bloodwork nor basketwork. They were equipped for dealing with matters of the soul: they were eminent theologians who had a special seal of approval from the Roman Catholic Church as people
