Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Essential Oils Pocket Reference 6th

There are also many convenient quick reference charts which cut to the chase if I am in a hurry. The whole book is color coded for convenient use as the colors show on the page edges when the book is closed. This Essential Oils Desk Reference 6th Edition far surpasses my own expectations, even though I had had the book described to me many times.

Essential Oils Pocket Reference by Life Science Publishing

I actually have the 6th edition but it's a very helpful reference book for therapeutic grade essential oils. It contains a section all about the single oils (what they're made from, where they're from, the history of the oil, and then there's a section about all the blends (what oils are in them, what they're used for), and then there's a section where you can search for different ailments ...
