ManyBooks is one of the best resources on the web for free books in a variety of download formats. There are hundreds of books available here, in all sorts of interesting genres, and all of them are completely free. One of the best features of this site is that not all of the books listed here are classic or creative commons books. ManyBooks is in transition at the time of this writing. A beta test version of the site is available that features a serviceable search capability. Readers can also find books by browsing genres, popular selections, author, and editor's choice. Plus, ManyBooks has put together collections of books that are an interesting way to explore topics in a more organized way.

Identity Is The New Money

In the same way, identity cannot be understood in isolation from our sense of sovereign being and its psycho-sexual foundations. Ultimately Dave's conclusions, and his bold statement that 'Identity is the New Money', are at best only a partial reflection of the nature of money and identity, and their relationship.

Identity is the New Money (Perspectives): Birch, David ...

It shows a potential future of the world, in which, as the title implies, identity serves as the new money. It is in essence a blue-print for technology companies and government to develop the next evolution of identity.

Amazon.com: Identity is the New Money (Perspectives) eBook ...

This book argues that identity and money are both changing profoundly. Because of technological change the two trends are converging so that all that we need for transacting will be our identities captured in the unique record of our online social contacts.

Identity Is the New Money by David Birch - Goodreads

In the long run there will be no need for a single medium of exchange, no need for fiat currency. Identity substitutes for money as I explore in my book "Identity is the New Money" (London Publishing Partnership, London: April 2014). I argue in the book that this is inevitable because the nature of identity is changing, both the indexed notion of identity that emerged from 19th and 20th century industrial society and urban anonymity, and the pre-industrial notion of identity that builds ...

IDENTITY IS THE NEW MONEY

Identity is the new money — is a book by David Birch, published in 2014. In this book author argues that the new economy and the new society that is built on top of it, demand a new way of thinking about identity, and a new way of thinking about money — and that the two converge.
