Imagining India Free Summary by Nandan Nilekani

Book Summary: Imagining India by Nandan Nilekani. The book presents a generalists view of post-independent India. Unlike India Unbound, this book focuses primarily on post-independent India and takes a more pragmatic approach towards understanding the problems of contemporary India. The best parts of the book are the interesting contradictions which the nation went through - love/hate relationship with the English language, fear of technology and neglected urban development.
