It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Musical Improvisation - UI Press

High-quality improvisation, in music or in other areas of life, requires long-term preparation to build a solid foundation of skills and experiences, in all of the ways (or at least some of them) described in Part 1, and (if you want to fully develop your physical-and-mental potential) in Part 2 below.

Musical Improvisation (creativity + music theory for ...

Musical improvisation is the creative activity of immediate musical composition, which combines performance with communication of emotions and instrumental technique as well as spontaneous response to other musicians. Sometimes musical ideas in improvisation are spontaneous, but may be based on chord changes in classical music and many other kinds of music. One definition is a "performance given extempore without planning or preparation". Another definition is to "play or sing extemporaneously,

Musical Improvisation - Wikipedia
