Make a twirly, dot painting rainbow snake - Kidspot

A Rainbow Serpent is an animal in the Dreamtime which many of the indigenous people of Australia, the "Aborigines", believe created the mountains, rivers and lakes. The Rainbow Serpent stories are found all across Australia, and especially in Arnhem Land, in the north of Australia. The serpent is known by different names, such as Almudj and Ngalyod, in different Aboriginal languages.

Rainbow Serpent Activities Children - Not Actively Looking

Rain fell for days and days and the world was becoming flooded with water. Two young men, Bil-bil, or the Rainbow Lorikeet brothers had no shelter and they came to the Rainbow Serpent. They asked for help sheltering from the rain. The rainbow serpent was hungry and tricked the young men "I have no shelter, but you can hide in my mouth."

The Rainbow Serpent Lesson Plan | Study.com

Then the Rainbow Serpent created some new laws to help solve any disagreements in a fair manner, but despite this some of the animals would still argue and complain. The Rainbow Serpent was unhappy with the behaviour of these ungrateful creatures and announced, "If you keep the law you will earn the right to human life, but if you break the law you will be turned into stone and sleep forever."
