Free ebook download sites: - They say that books are one's best friend, and with one in their hand they become oblivious to the world. While With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees.

Ratio Proportion Worksheets Answers

Answer : From the given ratio 2 : 3, we have. first number = 2x.
second number = 3x. From the information "If 4 be subtracted from each, they are in the ratio 3:5", we have. $(2x-4) : (3x-4) = 3:5$. Using cross product rule of proportion, we have. $5(2x-4) = 3(3x-4)$
 $10x - 20 = 9x - 12$.
