Photo courtesy of the Franklin D. Roosevelt Presidential Library & Museum Sometimes, without food, a home, or the prospect of a job, a tired man might just lay down and ponder what lay ahead. For many, the Great Depression was a decade of extreme hardship, ending only with the war production caused by the start of World War II.

The Story of the Great Depression in Photos

The 1930s were dominated by the Great Depression in the United States and the rise of Nazi Germany in Europe. The FBI under J. Edgar Hoover went after gangsters, and Franklin D. Roosevelt became synonymous with the decade with his New Deal and "fireside chats." This momentous decade ended with the beginning of World War II in Europe with Nazi Germany's invasion of Poland in September 1939.
