The Feedback Fix. The secret to giving better feedback isn't what we say - it's what others hear. Too often, people hear about a past they can't control, not a future they can. That changes with "feedforward" - a bold approach to sharing feedback that unleashes the performance and potential of everyone around us.

The Feedback Fix - Joe Hirsch

Even with drastic changes in how we work and live, the experiences we create for others - joy or fear, growth or decline, success or failure - still hang on the feedback we share. The Feedback Fix makes a compelling argument for getting what we want by giving others what they need - all while rebuilding the way we lead, learn, and live. ~summary from Overdrive
