Walkable City How Downtown Can

I can't help but think of this book now when I walk downtown or when I speed down horrifyingly designed streets. I think my favorite This book outlines ten steps to making a city more walkable, and what is so fascinating is that many of the principles and their side effects are the opposite of what you would think.

Walkable City: How Downtown Can Save America, One Step at ...

Jeff Speck's new book, Walkable City: How Downtown Can Save America, One Step at a Time, is worth a read for its acerbic wit, alone. The author fits a remarkable collection of data and anecdotal evidence from his long career in urban design (which included a four-year stint at the helm of the National Endowment for the Arts' design department) into a mere 260 pages while maintaining a tone that is both punchy and urgent.
